ABOUT ME

Passionate and driven 2nd-year B.Tech student specializing in Computer Science with Information Security. A quick learner with strong problem-solving skills and a creative mindset, I bring both technical depth and collaborative energy to every project. Experienced in full-stack development, hackathons, and building real-world applications. Multilingual communicator (English, Hindi, Spanish).

EDUCATION

B.Tech — Computer Science & Engineering (Information Security)

2024 – 2028 | 2nd Year Student

TECHNICAL SKILLS

Languages	C, C++, Java, JavaScript, HTML, CSS, R
Frameworks & Libraries	React.js, Node.js (Express)
Tools & IDEs	VS Code, Git, GitHub, MATLAB, RStudio
Databases	MongoDB, SQL
Specialization	Information Security, Full-Stack Web Development
Soft Skills	Quick Learner, Problem Solving, Communication, Teamwork, Leadership
Languages Spoken	English, Hindi, Spanish

PROJECTS

Hitch — Ridesharing App

Tech Stack: React.js, Node.js, Express, MongoDB

- Built a fully functional ridesharing platform with complete frontend and backend integration.
- Features include real-time ride matching, user authentication, booking management, and driver/rider dashboards.
- Designed RESTful APIs and implemented secure authentication flows.

Hands-Free Chef Dashboard

Tech Stack: HTML, CSS, JavaScript, Voice/Gesture API

- Created a web interface allowing chefs to control laptop functions without touching the device — ideal for hygienic kitchen environments.
- Implemented voice commands and gesture-based navigation for a completely touch-free experience.

Personal Portfolio Website

Tech Stack: HTML, CSS, JavaScript, React

- Designed and developed a fully animated, professional portfolio website showcasing projects and skills.
- GitHub: github.com/Yashika2806/HexSoftwares_Personal_portfolio

HACKATHONS & ACHIEVEMENTS

- Participated in multiple competitive coding hackathons, demonstrating ability to build under pressure.
- Strong track record of collaborative problem-solving in team environments.
- Consistently recognized for rapid prototyping and creative technical solutions.
